Manufacturer of Sheet Metal, Wire Harness, Plastic Parts & Accessories

PF AUTO PARTS INDUSTRIES®

Manufacturer of Sheet Metal, Wire Harness, Plastic Parts & Accessories

About PF

Since its establishment PF has supplied quality products to its OEMs. PF have highly skilled and experienced work force with a thorough understanding of his OEMs needs. Ever since its inception PF has always focused to achieve excellence in providing the utmost customer satisfaction. As a result this has made PF the preferred choice. PF have achieved continue growth with successful repeat business from all of its OEMs. Having started as a vendor of Memon Motor (Pvt) Ltd., (assembler of Super Star Motorcycle and Rickshaw), PF is now working with many other leading motorcycle and rickshaw assemblers across the country.

Facilites

Having started as a vendor of many motorcycle assemblers, PF worked with major auto joint ventures operating in Pakistan. With the use of the latest designing and manufacturing technology along with experienced supervisor and a dedicated work force, PF has following major in house facilities.

OUR FACILITIES

Plastic Molding Shop

Our Moulding dept. is equip with 12 fully automatic moulding machines capable of producing part weight from 5 grams to 1200grams.

Wiring Harness Shop

Our Wiring Dept. fully capable of achieving any task related to assembly of wiring harnesses, winker, headlight, taillight or it is Speedometer.

Press Shop

Our Press shop is equip with latest machines and process quality control plays a major role.

Vision:

Our task is to become the preferred choice of our clients and customers providing the product as per their specification to their doorstep on time

Quality Assurance

It has been our fore most principle to satisfy our customer in respect of the quality of our products and precise price calculation as well. The items produced by us can safely stand parallel to that of foreign made so far durability, strength, quality and accuracy is concerned.
